

ANAND KUMAR YADAV

PYTHON SOFTWARE DEVELOPER

Lucknow, India | +91 72753 49138 | anandyadav1834@gmail.com

SUMMARY

Python Software Developer with over 2 years of hands-on experience building and maintaining Django-based web applications, REST APIs, HRMS, and LMS products. Experienced in backend development, workflow implementation, third-party integrations, UI improvements, debugging, and production support. Strong foundation in authentication, role-based workflows, data validation, and frontend-backend integration.

EXPERIENCE

Python Software Developer Feb 2025 - Present
Softpro Group of Companies

- Develop and maintain Python/Django applications and REST APIs for HRMS and LMS products.
- Translate business requirements into backend workflows, API endpoints, validation rules, and reusable modules.
- Troubleshoot production issues, improve existing code, and support frontend-backend and third-party integrations.
- Collaborate with team members on feature delivery, testing, bug fixing, and requirement clarification.

Software Developer Intern Jul 2024 - Jan 2025
Softpro Group of Companies

- Supported web application development using Python, Django, HTML, CSS, and JavaScript.
- Improved UI, implemented CRUD and form-validation flows, and fixed functional issues in existing modules.
- Built practical understanding of database relationships, authentication, debugging, and frontend-backend integration.

PROJECTS

SIL HRMS Feb 2026 - Present
Mauritius-based Client | Ongoing

- Build REST APIs for an HRMS platform and translate end-to-end HR workflows into backend functionality.
- Map workflow entities and approval-driven processes into API contracts, data relationships, permissions, and validation rules.
- Clarify requirements, debug integration issues, and iteratively deliver maintainable features for client review.

Handshake - Learning Management System Sep 2025 - Jan 2026
Live Production Application

- Worked extensively on the attendance module, including class/session mapping, attendance capture, validations, and workflow improvements.
- Integrated Zoom functionality into LMS workflows and supported backend-frontend coordination for virtual classes.
- Improved UI, resolved defects, and gained production experience in role-based flows, data consistency, testing, and troubleshooting.

PolyPrep - LMS Mobile Application Nov 2024 - Aug 2025
Mobile Learning Platform

- Developed and maintained REST APIs consumed by the mobile app for user, course-content, and learning workflows.
- Implemented request validation, authentication/authorization, CRUD operations, structured responses, and backend business logic.
- Coordinated API integration, fixed payload and data issues, and learned practical API lifecycle, database design, and production debugging.

Training at Softpro Website Jul 2024 - Oct 2024
Website Enhancement Project

- Improved the existing codebase by correcting UI issues, refining responsive layouts, and fixing functional problems.
- Worked with HTML, CSS, JavaScript, and Django to integrate frontend components, forms, validations, and backend data.
- Refactored code for readability and maintainability while learning legacy-code analysis and incremental delivery.

EDUCATION

B.Tech - Computer Science & Engineering
Dr. A.P.J. Abdul Kalam Technical University
2022 - 2026 | CGPA: 8.61/10

Intermediate - 84%
Kendriya Vidyalaya A.M.C., Lucknow
2022

High School - 87%
Kendriya Vidyalaya A.M.C., Lucknow
2020

SKILLS

Languages

Python, JavaScript, C

Backend Development

Django, REST API Development, Django ORM, CRUD Operations, Authentication & Authorization, API/Form Validation

Frontend Development

HTML5, CSS3, JavaScript, Responsive UI, Frontend-Backend Integration

Database & Workflows

SQLite, Relational Data Modelling, Role-Based Workflows, Approval Flows, Data Consistency

Programming Concepts

OOP, Data Structures & Algorithms, Debugging, Error Handling, Problem-Solving

Tools

VS Code, Browser Developer Tools

Professional Strengths

Requirement Understanding, Team Collaboration, Time Management, Quick Learner, Analytical Thinking
